1971-72: It Was A Very Good Year

The school year began on August 23 and it went like most first days do--in utter chaos. New schedules, new teachers, new faces, and lots of talk to catch up on added to the confusion. It marked a beginning for the freshmen and an ending which the seniors had long awaited.

Some new things happened this year. The freeroom came into being and added some enjoyment for the seniors where a dull study hall had been. Our first foreign exchange student, Luiz Carvalho, came before Christmas vacation and stayed until the end of third quarter. The girls' basketball team participated in the first regional tournament held at Gillman City, Mo.

The dances, the sports events, the trips, the plays, and, of course, our studies combined to help make this year an enjoyable and profitable one. Now that the year is ended, we can indeed say it was a very good year.

Practice To Preparation

The year's activities started with a boys' football soap scrimmage game. Following the game, the freshmen were honored at the annual Icebreaker Dance. A new feature was a Mr. Ice Cube, Dean Ferguson, and Miss Icicle, Peggy Miller, contest. Next, the Pep Club sponsored a girls' football game. The rivals were the "Pretties" and the "Goodies", with the latter being victorious.

The Dragon spirit for the upcoming homecoming was felt in the planning, decorating, and the final moments preceding the game.

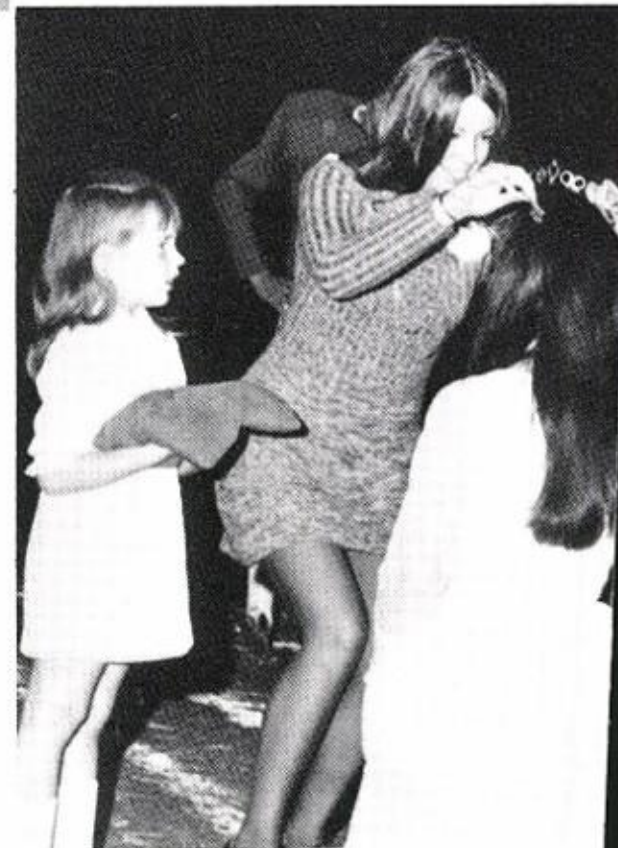

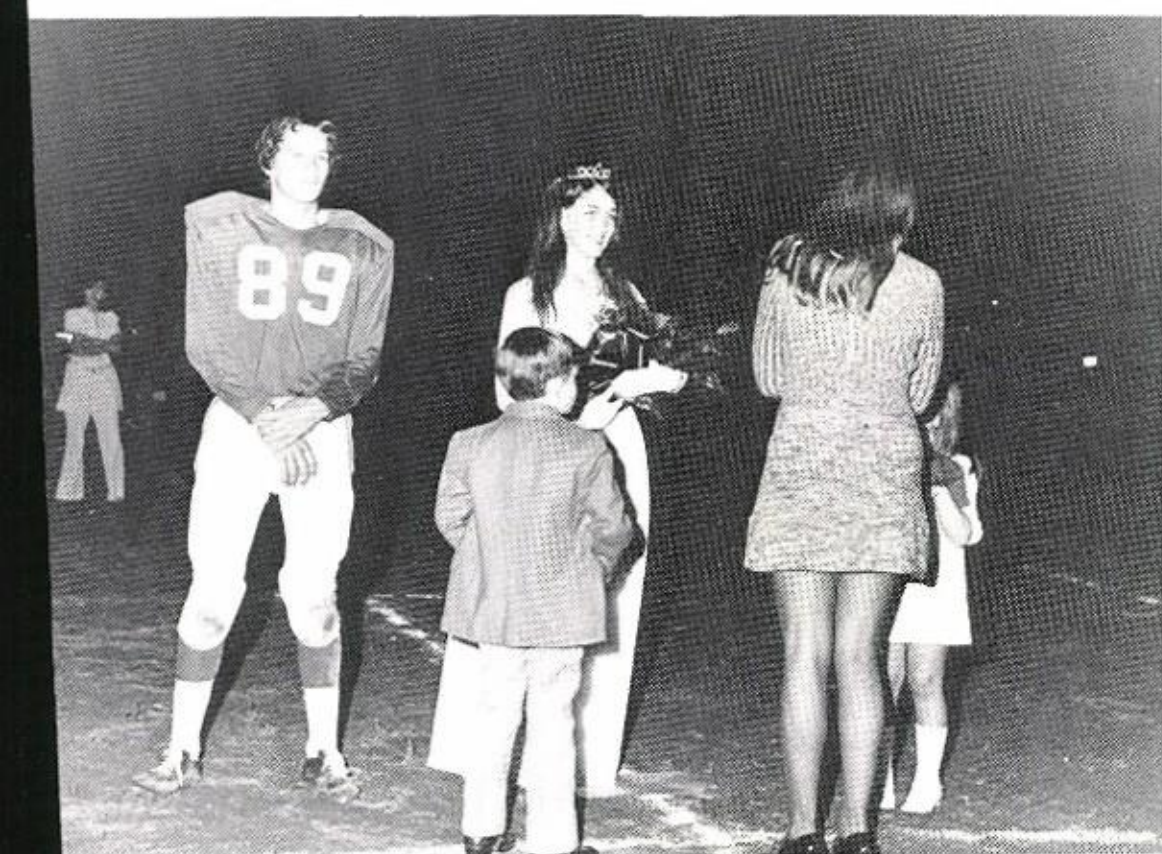

"Reflections Of Our Lives"

Football Homecoming 1971

"Reflections of Our Lives" sums up many things for the Seniors, and fit the theme for football homecoming perfectly. From the dance preparations to the last strains of music from the band, "Exordium and Terminus", homecoming was full of fun and excitement.

Though the Dragons lost the game to the Kearney Bulldogs, no one could lose his spirit. The high point of the events came when Queen Roberta Rosenauer was crowned during the half time ceremony. Roberta knelt at the 50-yard line and was crowned by Patti Caton, football homecoming queen 1971-72. She was presented a dozen roses by Jenell Robinson, and her attendants were presented with a single red rose. Queen Roberta and John Dreier, her escort, led her Royal Court and their escorts, Cheryl Caton and Charles Curran, Susie Wyatt and Greg Noland, Debbie Sturgis and Mike Farris, and Jeanne Curran and Dennis McClintic, to the float where they presided over the remainder of the game.

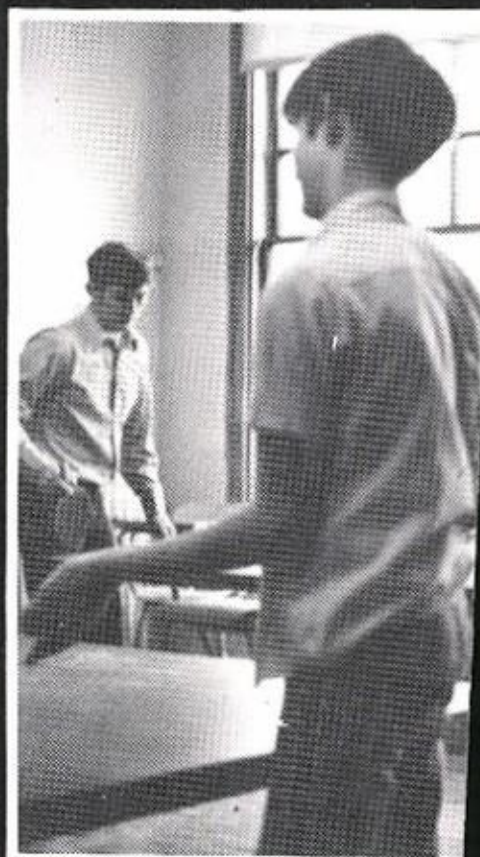

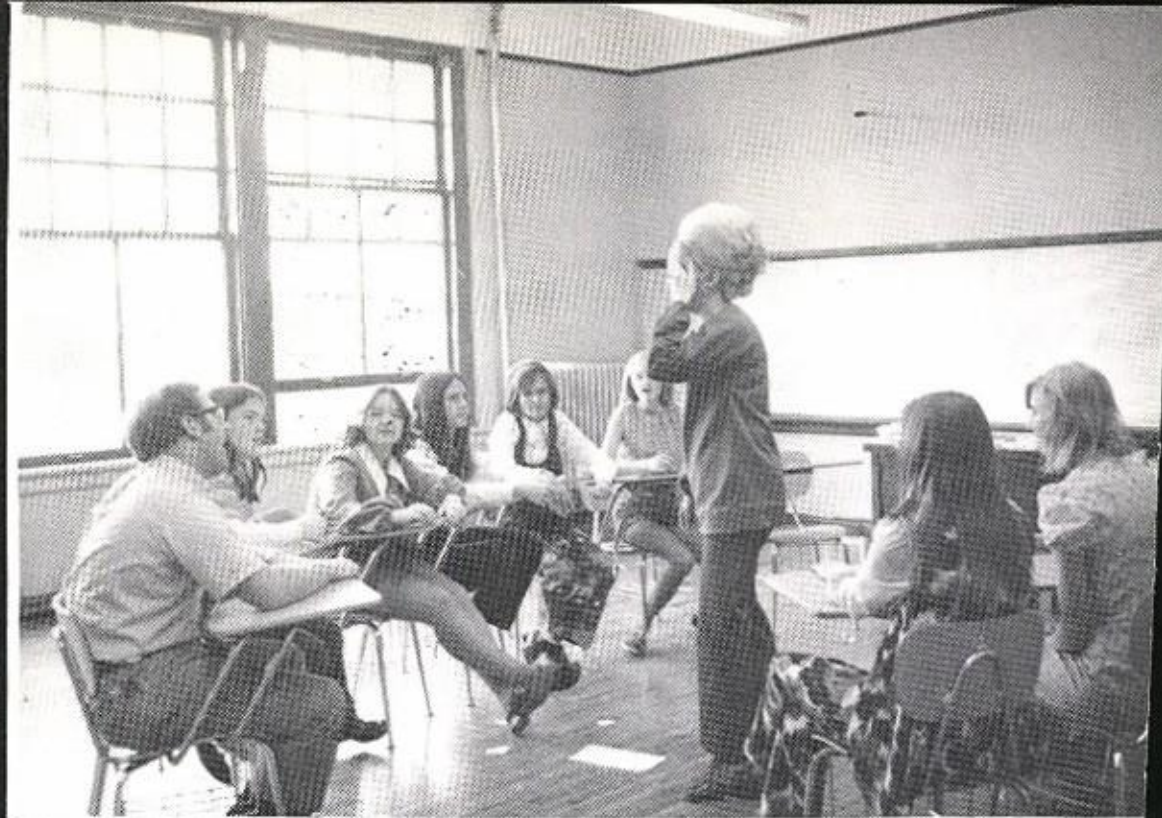

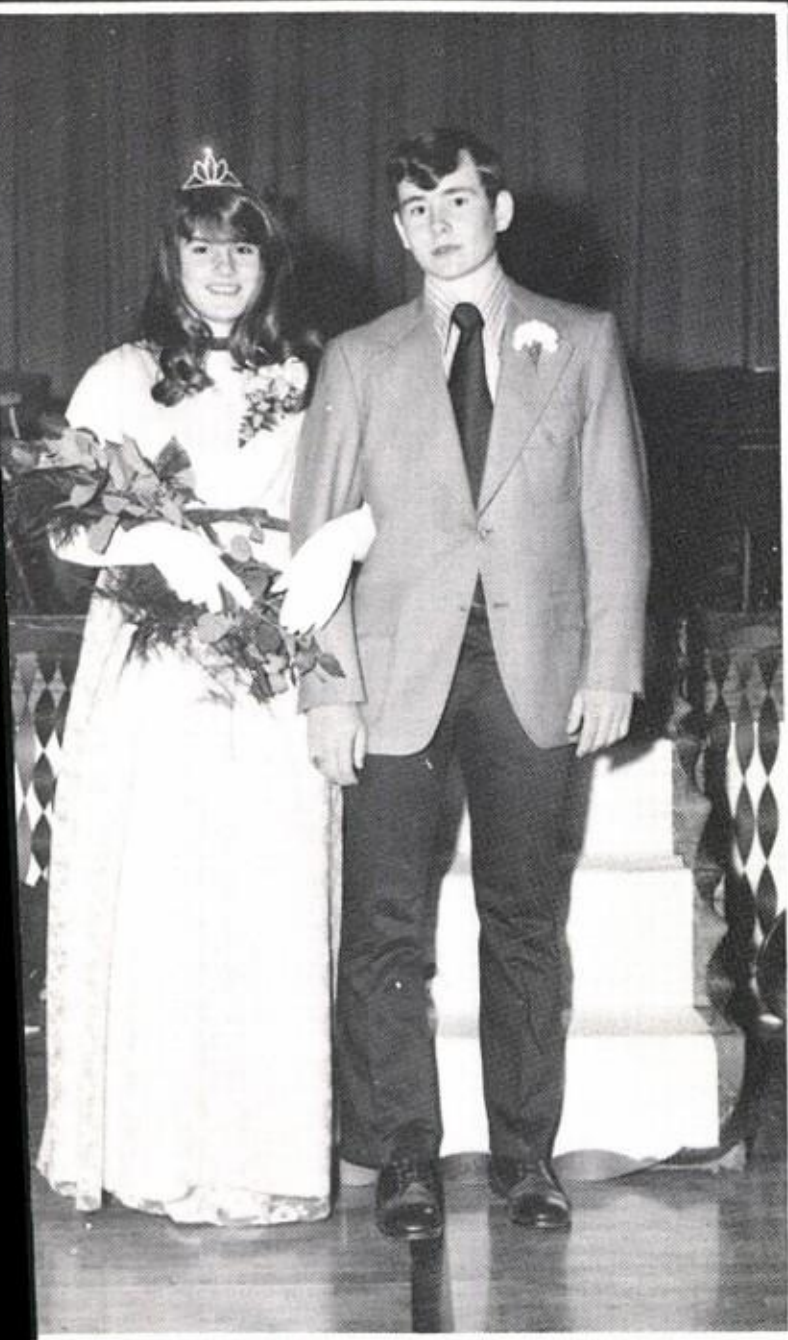

“Tis The Season To Be Jolly” Christmas Activities

Once the Student Council put up the tree and decorated it, the Christmas spirit engulfed the students. Everyone looked forward to the end of semester tests, the mixer sponsored by the Student Council, and at long last--vacation.

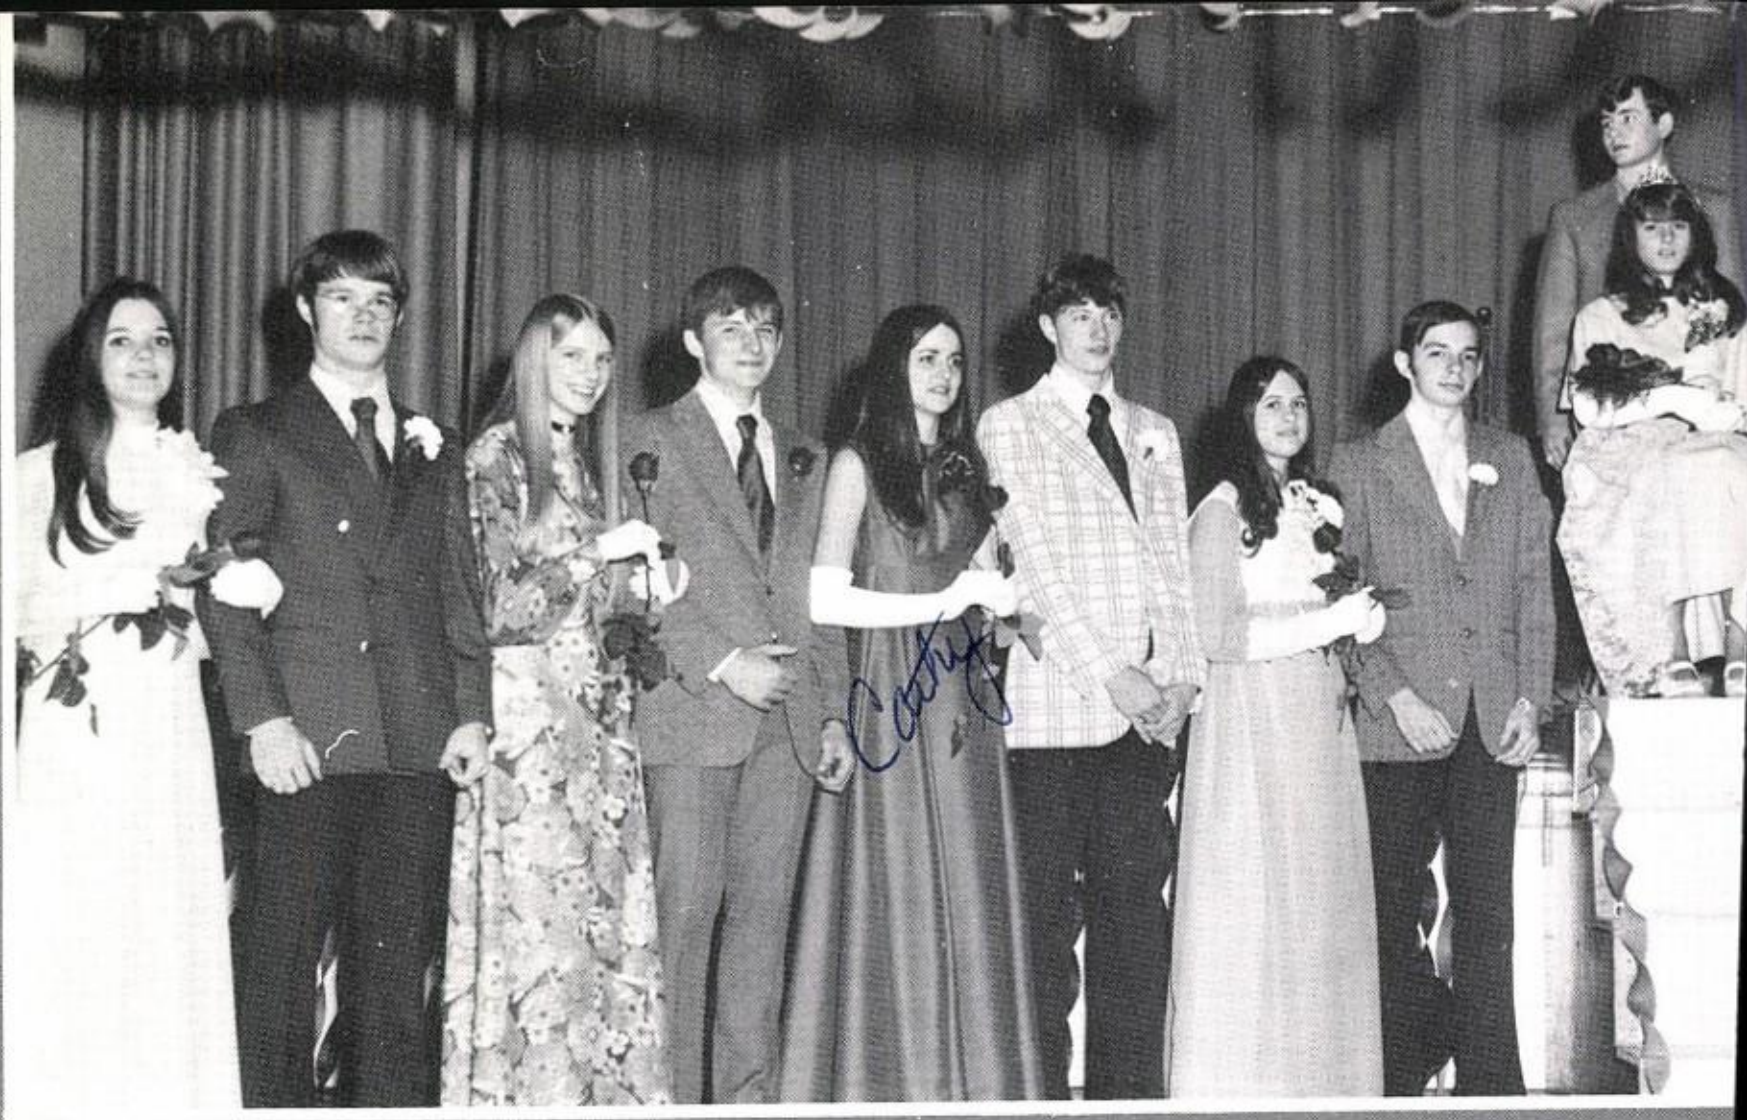

The mixer, which was held the afternoon of December 23, was enjoyed by all the students that attended. Besides the delicious refreshments which the faculty was nice enough to supply, the students were able to participate in their favorite activity. Activities such as ping pong, volleyball, charades, and dancing were provided for everyone to take part in.

"They Run In Our Family"

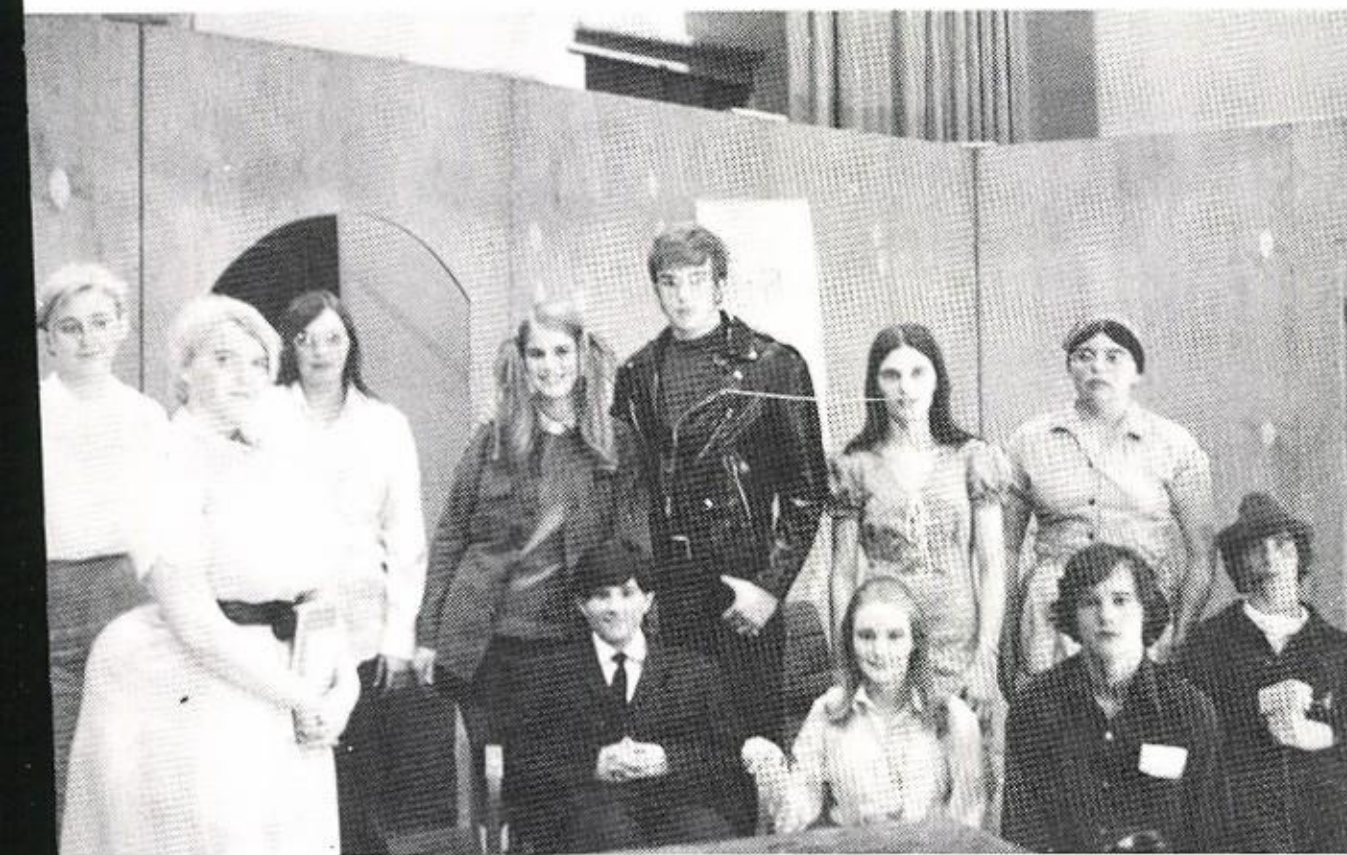

On March 17, the juniors proudly presented "They Run in Our Family", directed by Mrs. Patsy Curnutt, assisted by Tena Dugan. Those portraying characters were: Bill Admire, Diane Anderson, Debbie Booten, David Curran, Vicki Dreier, Sandy Dunlap, Linda Evans, Liz Evans, Mike Farris, Carl Finney, Ralph Gullick, Alan Krumme, Joan Krumme, Jim Matthew, Terre McPheeters, Kayla Morgan, Mark Murray, Connie Myers, Bill Pepper, and Barb Smiley.

“Lock, Stock And Lipstick”

On April 27, the Senior Play was over, involving not only its characters, but the help of every one in its class. A sadness was felt, but this only added to the importance of the success of the play. It was directed by Mrs. Curnutt, aided by Janice Julian. The characters were: Harold Burchett, Linda Conger, John Dreier, Patty Eddings, Nita Farris, Vicky Harter, Cherine Heckman, Dennis McClintic, Nancy McDaniels, Goldie Swope, and Sue Wyatt.

"Precious And Few" Jr.-Sr. Banquet And Prom

"Precious and few are the moments we two can share" are words from a pop song, but they fit perfectly for one of the last occasions which the Juniors and Seniors had left to share together--the Banquet and Prom.

For many weeks the halls were full of people who were constantly asking, "Who are you going to the prom with," or "What are you going to wear?" Then finally April 29, 1972, arrived, and we suddenly found ourselves at the Ramada Inn sitting around tables with our friends and classmates.

Following the banquet, Terri McPheeters read the Prophecy, and Janice Julian and Linda Conger read the Will. The speaker for the evening, Mr. Ashworth, based his talk on the song, "People", which really left us with something to think about. His fine speech was rewarded with a well earned standing ovation.

By 8:30 everyone was ready to dance, and the arrival of the band "Rage" began the Prom. "Rage" even managed to play music which the faculty could swing to, so everyone had a great time.

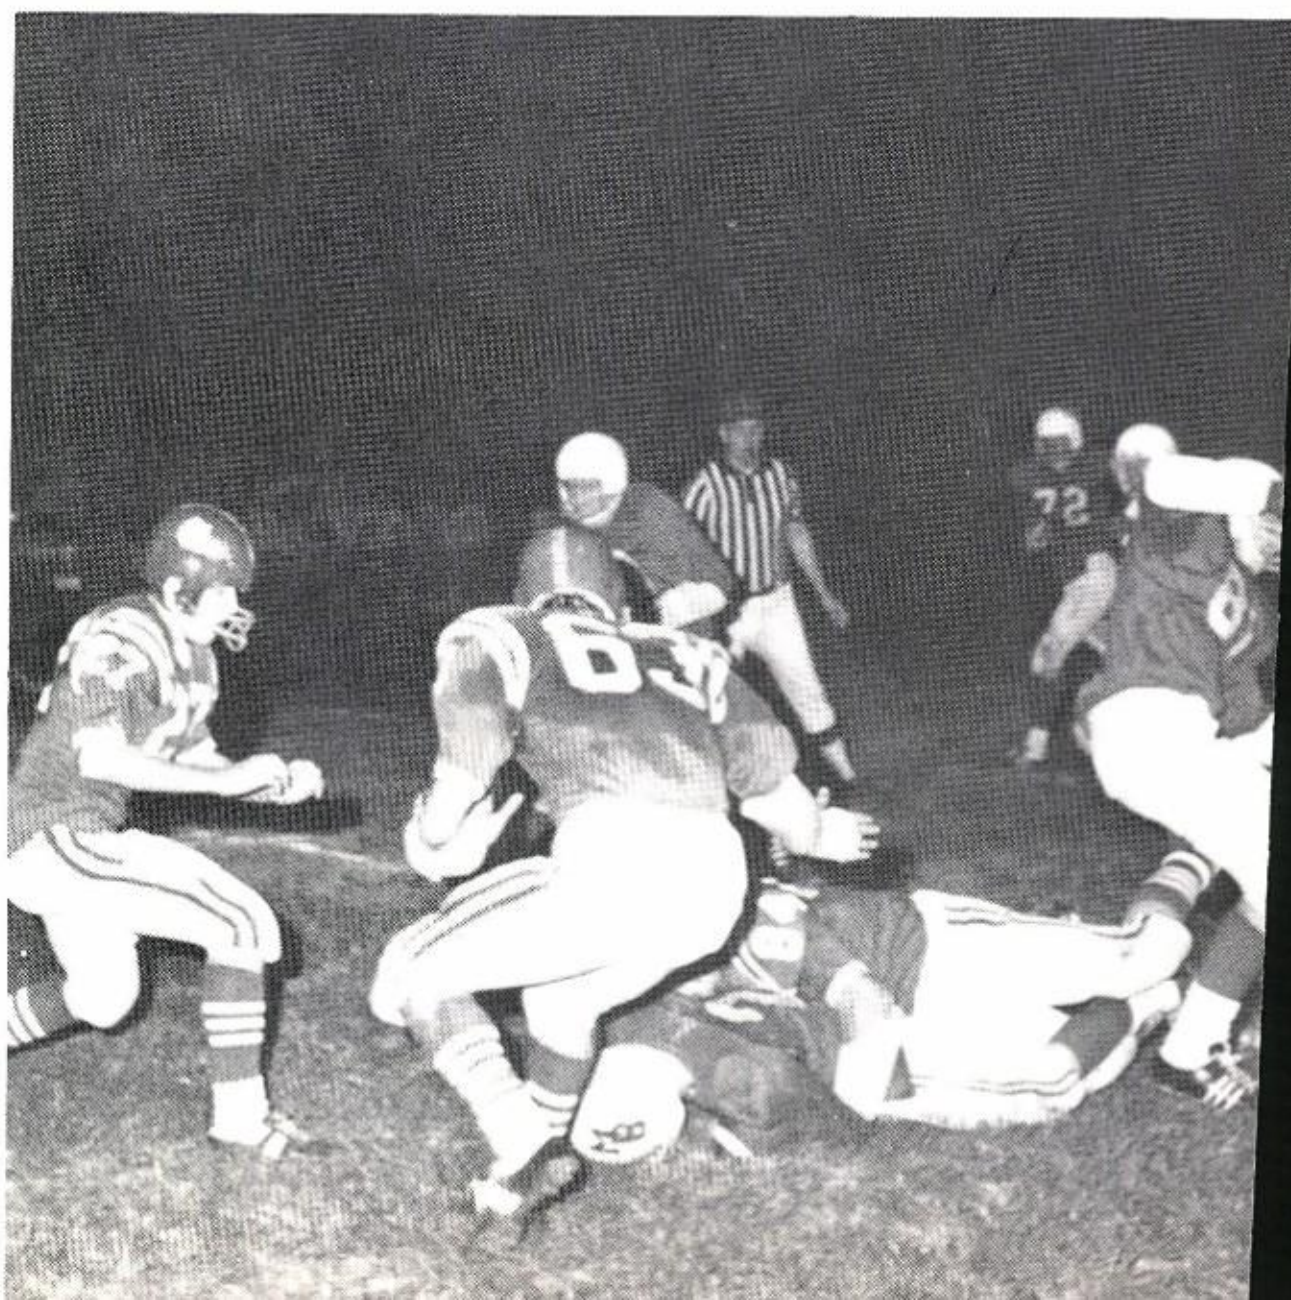

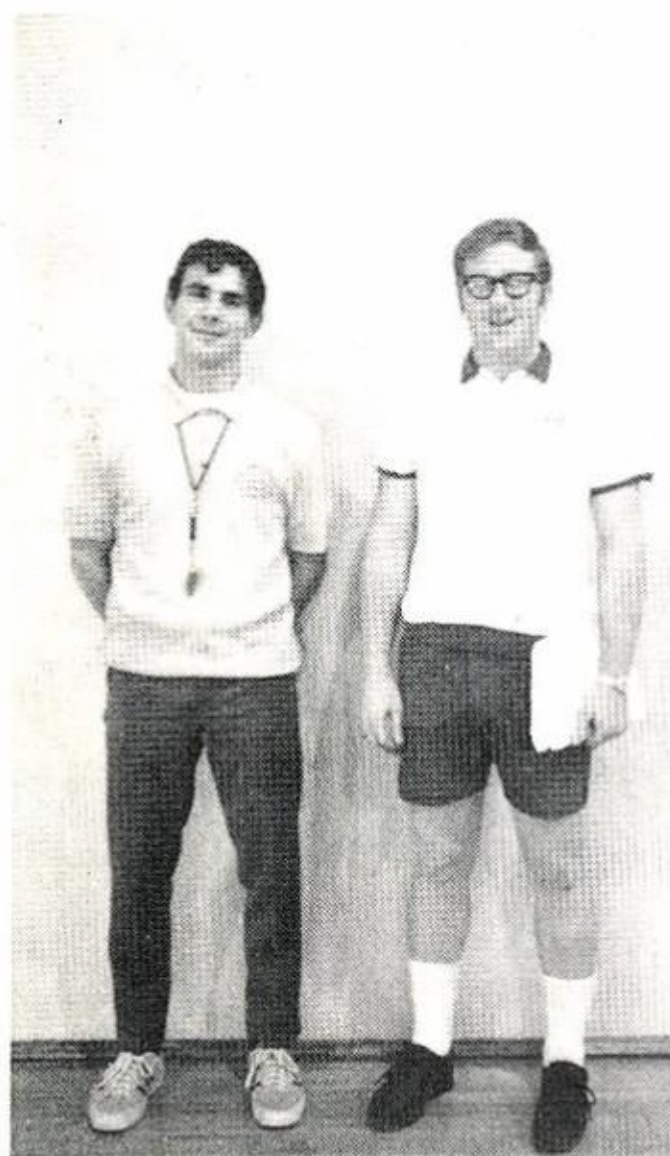

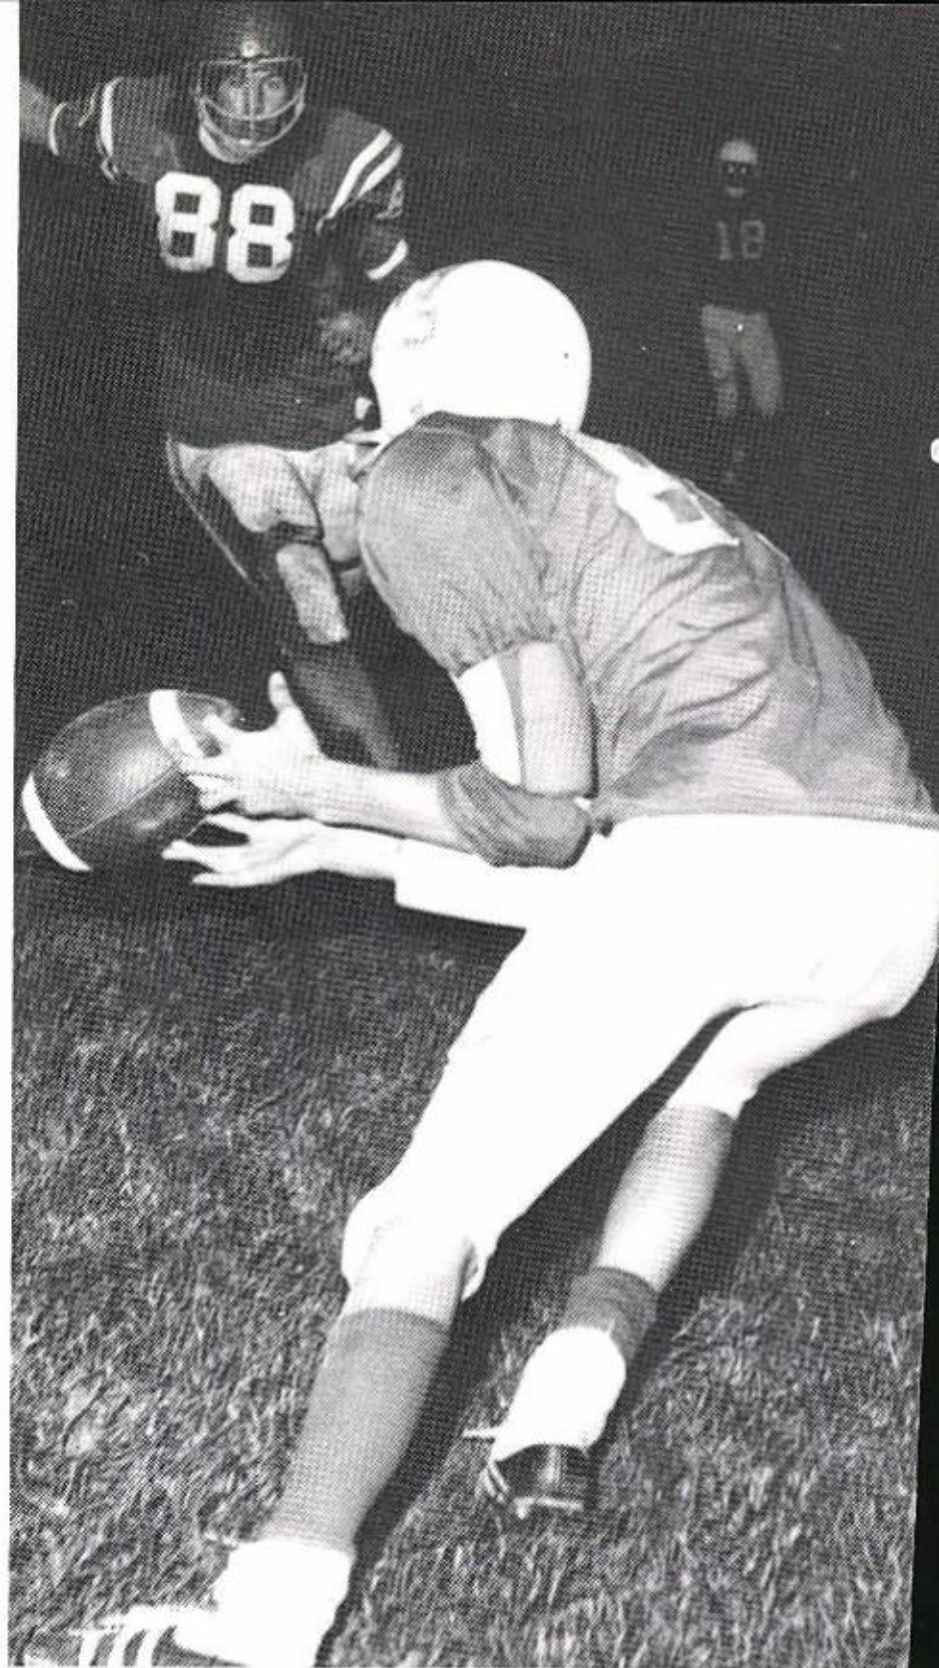

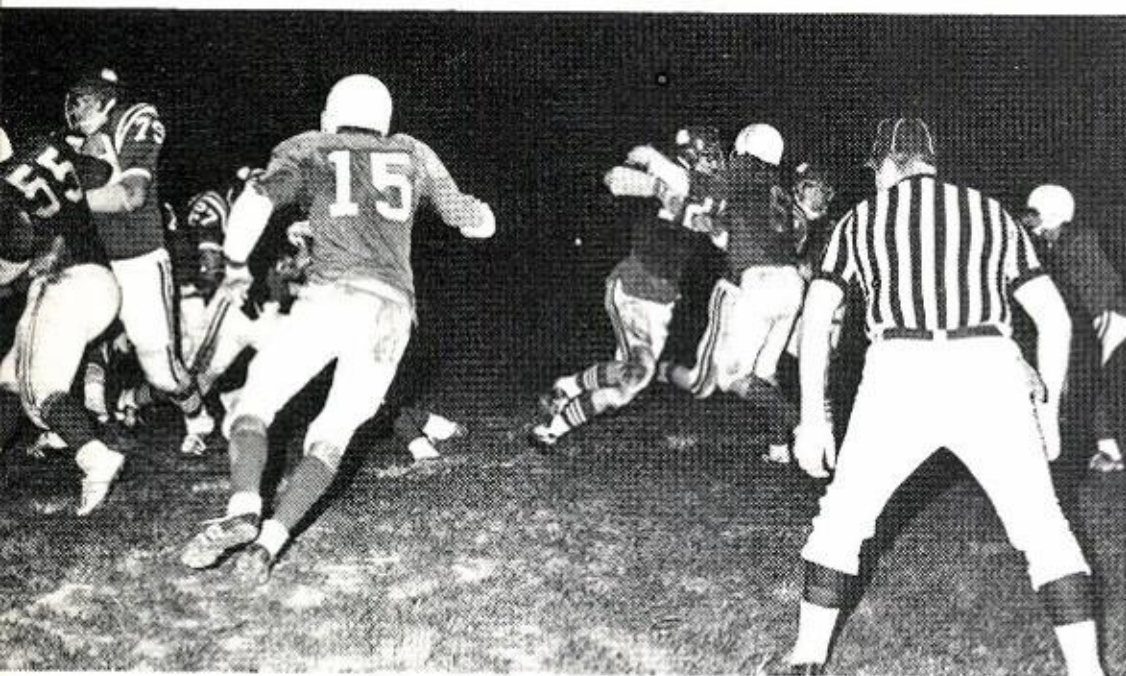

The 1972 Banquet and Prom left all of us with many precious memories of a most enjoyable evening.

The 1971-72 edition of the Dragon football team consists of some old and new faces. The team's starting players are: FRONT ROW-Jim Matthews, Denise McClintic, Bill Crouse, Mike Farris, Bill Pepper, Mike Babcock, Darrell Jones, ROW TWO-Greg Noland, Charles Curran, Bill Admire, Ray Prescher. Aiding them throughout the season were John Dreier, Mark Murray, Tom George, Mike Aspey, Joie Cunningham; student managers were Fred Farris and Steve Smiley. They were coached by Larry Reder and his assistant Terry Pierce.

We tried but we couldn't do it. . . We just couldn't seem to make a go of the 1971-72 season--in points that is! But the enthusiasm of the energized fans and spirit of the Dragon team remained unsurpassed.

Dragonettes Going Strong

A record of 13-5 for the Varsity and 7-3 for the B-Team showed that the Dragonettes were truly going strong throughout the 71-72 season. Hard work paid off in the Dekalb Tournament when our girls proudly took third place by defeating South Nodaway 36-19. They were also rated number two in the Conference by defeating, for the first time in seven years, the number one team, the Dekalb Tigers, with a score of 57-50. The girls also participated in the First Annual State Regional Tournament at Gilman City. These girls made a team that Mid-Buchanan is proud to claim.

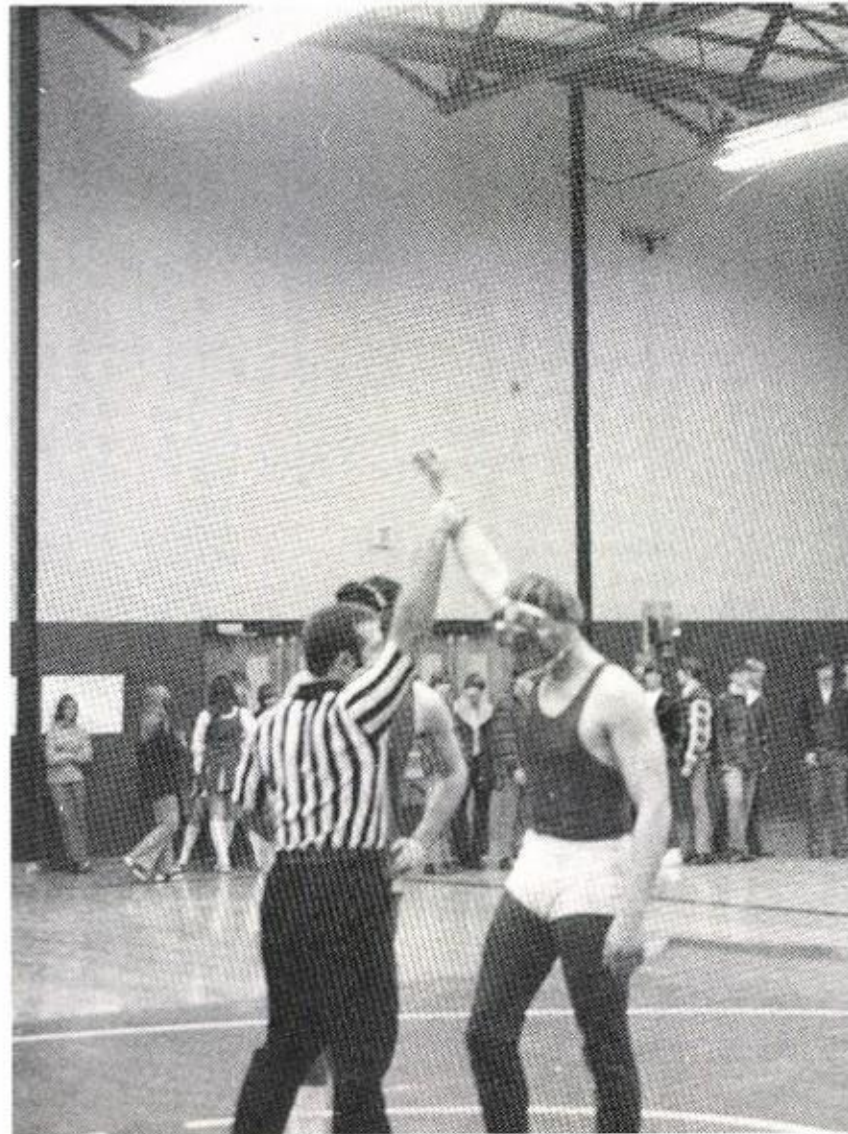

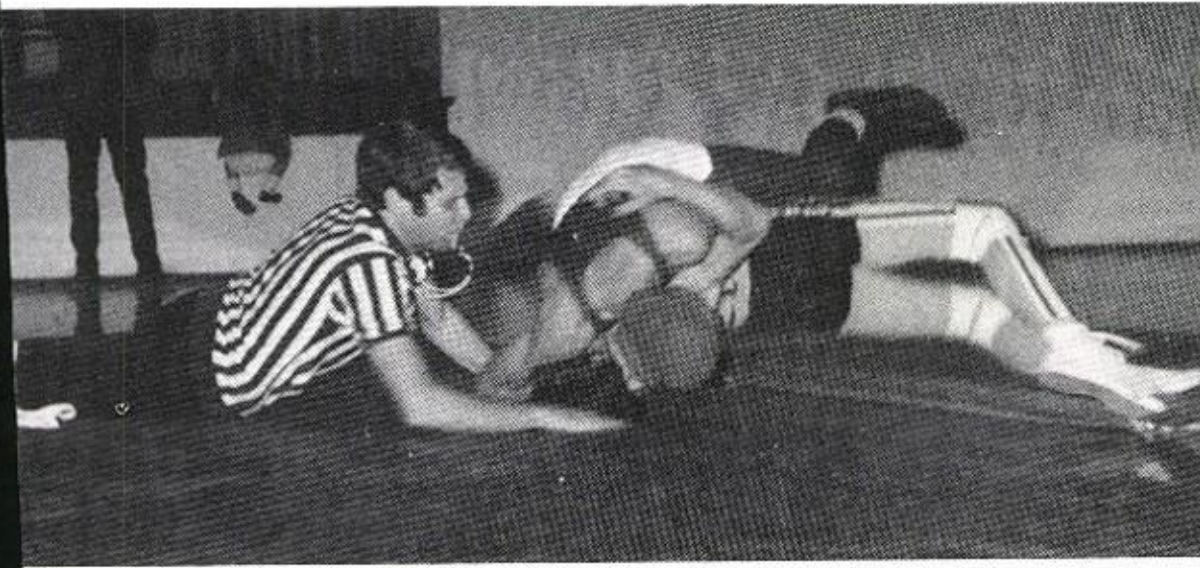

The Dragons continue to show their impressive school spirit throughout the '71-72 wrestling season. Coach Steve Ashworth made a great showing for this first year of coaching at Mid-Buchanan. The team as a whole didn't place in any tournaments, but Mike Babcock placed first and Bill Pepper placed third in the Northwest Missouri Wrestling Conference at Smithville, January 29. Then the tem went on to the Missouri State High School District Meet at Plattsburg where Raymond Steeby and Mike Babcock held third place. The following boys participated in '71-72 wrestling: FRONT ROW-- Tom George, Dean Fergison, Eddie Blackburn, Mike Aspey, Raymond Steeby; SECOND ROW--Hank Conley, Alan Krumme, Mike Babcock, Bill Flora, Bill Pepper; BACK ROW--Mike Young and Coach Steve Ashworth. Team captains are pictured BELOW--Bill Pepper, Jim Anderson.

These boys were coached throughout the season by Mr. Edward Grosdider.

Foolin' Around

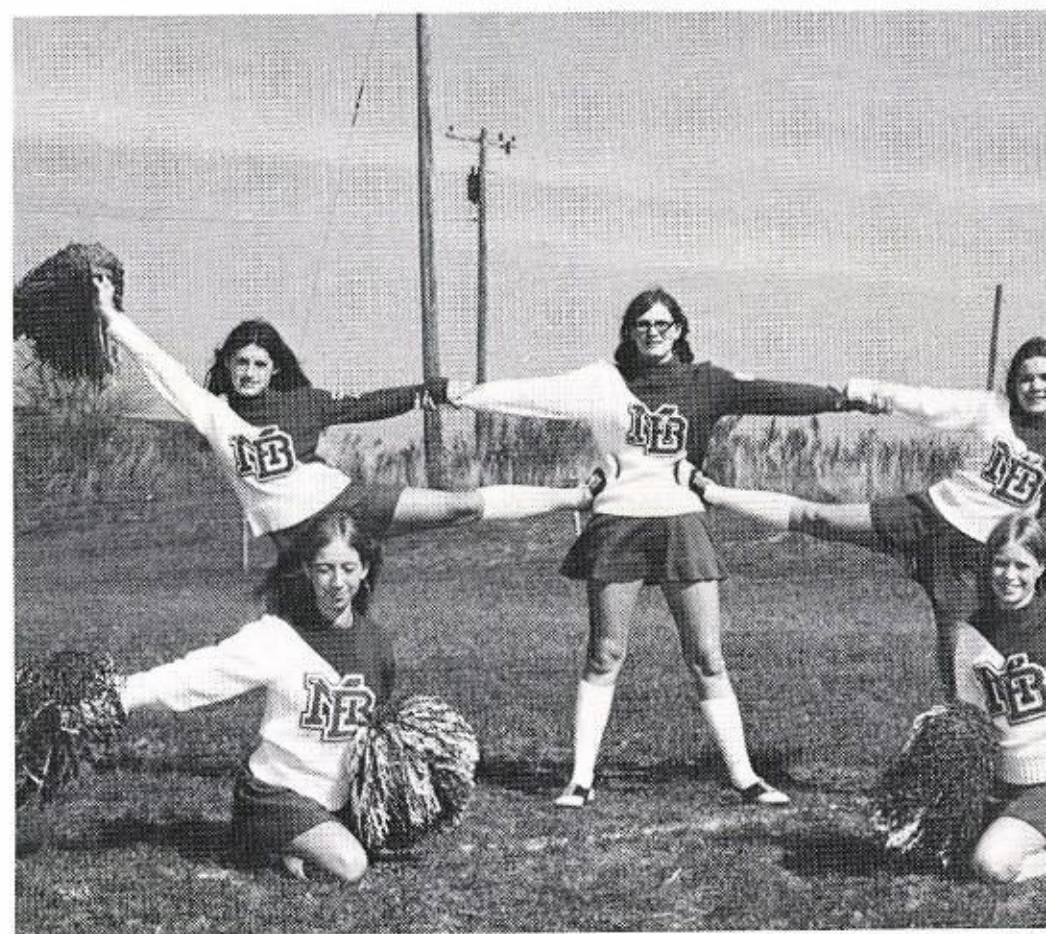

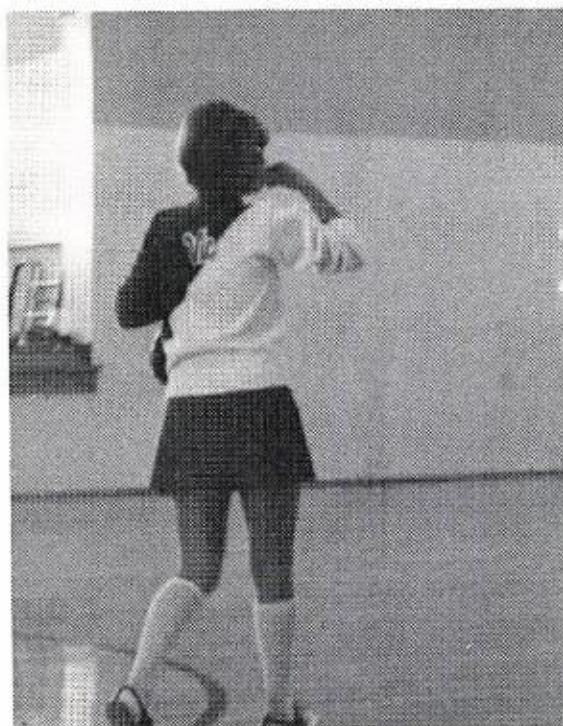

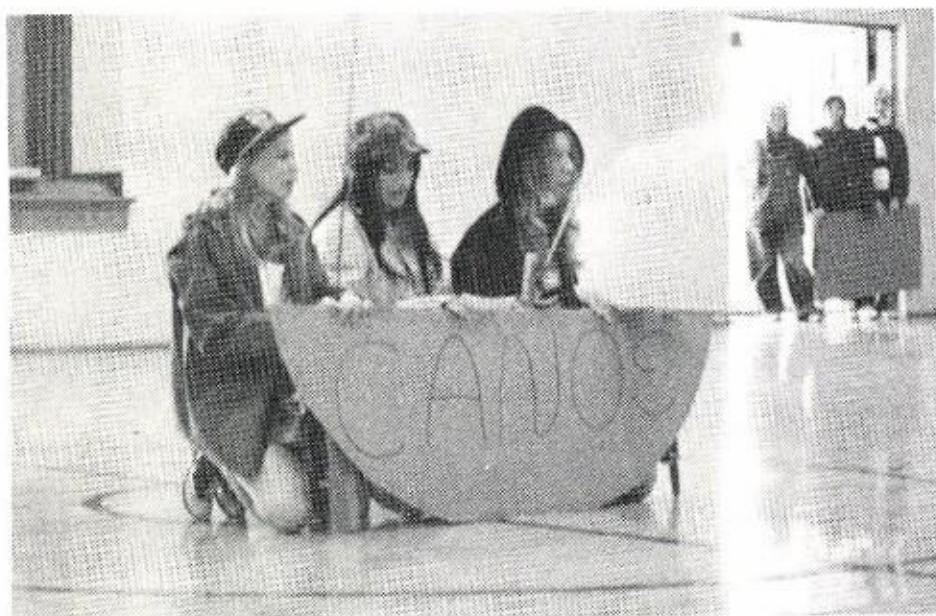

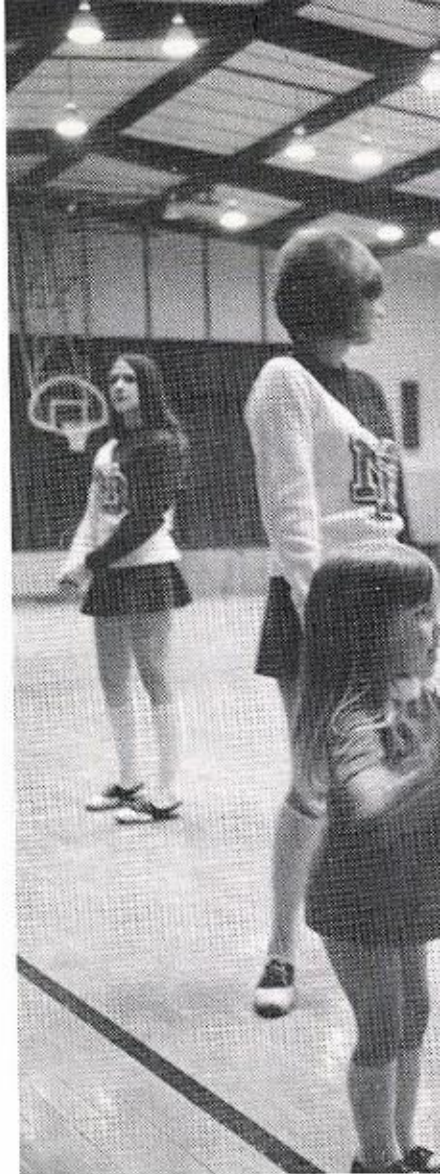

The Mid-Buchanan men's faculty hit the court on Friday, March 10, defeating the St. Joseph KKJO Kagers. On March 30, the students were shocked when the teachers "dressed-up" for their big game with the seniors that night. The senior girls won 35-15. The men's faculty won 69-59.

SHOOT THE MONSTER

Backing The Dragons

The 71-72 cheerleaders devote more time to cheer-leading than most people realize. Besides the cheering, there is the planning, practicing, and the coordinating of their cheers. Those girls representing our school were: Diane Anderson, Vicki Dreier, Linda Evans, Jan Julian, Peggy Underwood, Vicki Atkinson, Vicki Reddle, Stena Robles, Debbie Travis, and Teresa Best. The Pep Club members are very active also. Their sponsors are Mrs. Linda Goodwin and Mrs. Patsy Curnutt. They supported our team from the coldest football game till the final basketball game and longer.

72 A Year To Remember

Student Council's main purpose was to be a sounding board for the students' complaints and to help with the betterment of our school. This group has surely made this a year to remember. During the past year Student Council helped to raise money for other programs. In all we feel that they have been very successful in helping our school work for a better relationship between the students and faculty. Student Council members were: Patty Eddins, president; Cheryl Caton, vice president; Carol Prescher, secretary; Kayla Morgan, treasurer; Debbie Booton, reporter. Other members were Cindy Osborn, Debbie Stanton, Fred Farris, Bill Pepper, Teresa Best, Donnie Miller, and Mr. Joe Dyke, sponsor.

Students Lend Others A Helping Hand

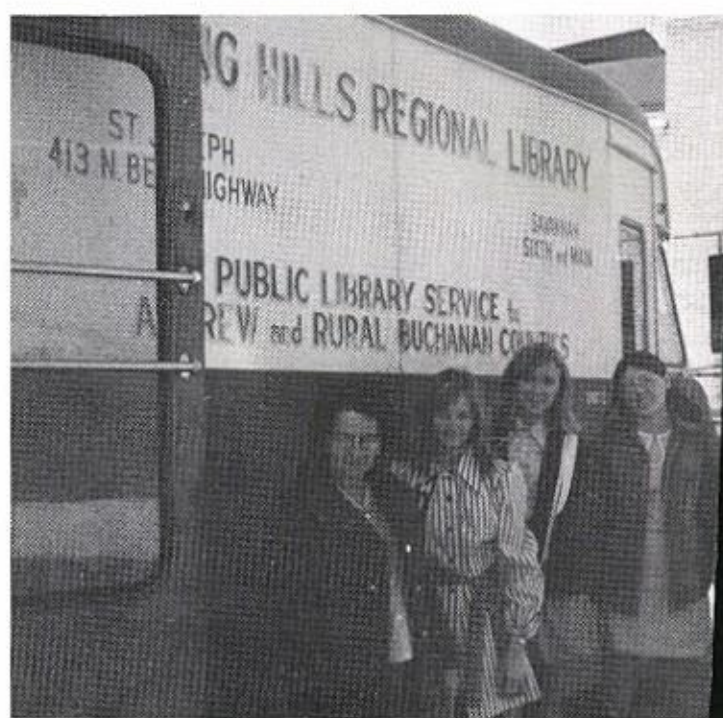

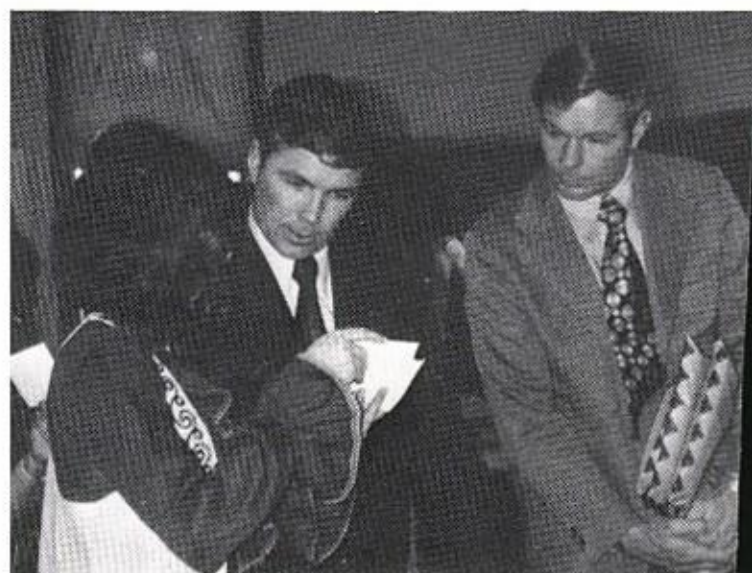

The Publications staff consists of Carol Prescher, Jeanne Curran, Cheryl Caton, Janice Julian, Linda Conger, Debbie Sturgis, Debi Homan, Vickie Harter, Sandy Clemens, Kathy Carr, Jim Anderson, John Dreier, and Harol Burchett.

Adivising us throughout the year were Mrs. Ruth Wehrman and from the American Yearbook Company, Mr. Gary Bryne.

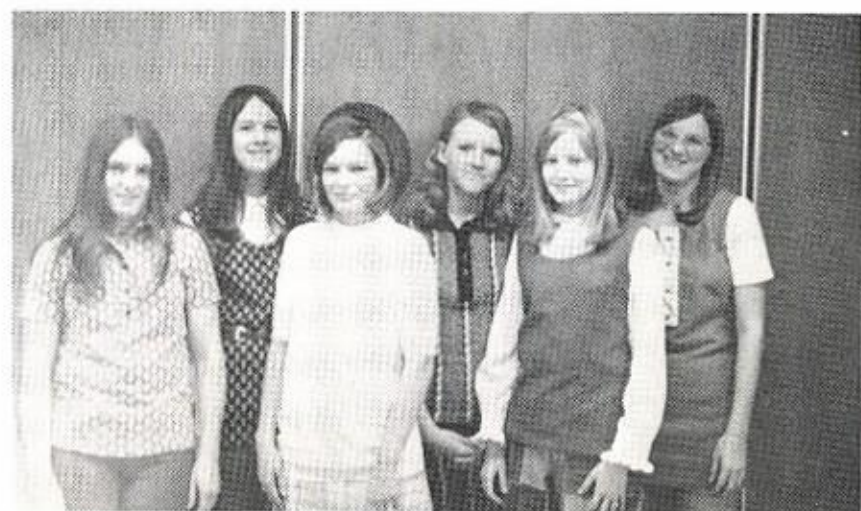

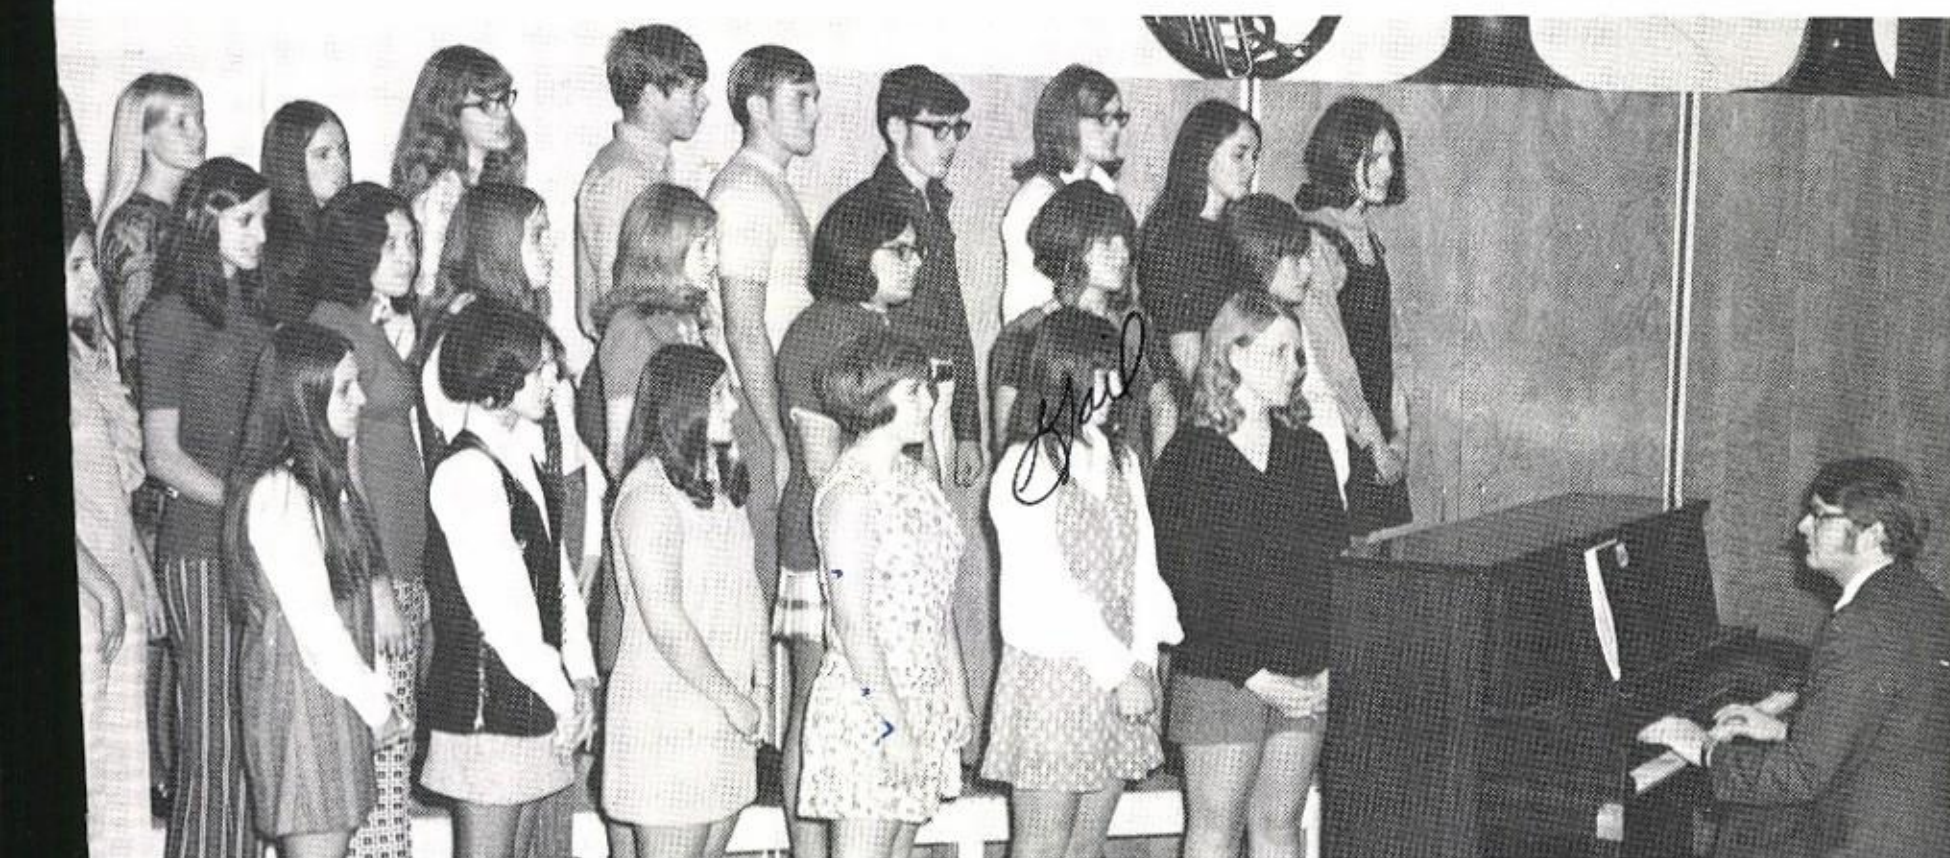

We, the Yearbook Staff, wish that the students get as much enjoyment out of looking through this yearbook as we did putting it together.

The girls helping Mrs. Cook in the library this year are Zetta Sutton, Nita Farris, Goldie Swope, Janice Julian, Vickie Harter, Debbie Sturgis, Nancy McDaniel, Kathy Carr, Missy Blakely, Susan Wyatt, Joan Krumme, Judy Robinson, Patty Eddins, Vickie Norris, and Cherine Heckman.

Under the direction of Mr. Jack Donaldson the chorus and band members had the pleasure of performing several choral and instrumental programs. Everyone enjoyed the music played by the band at several home games this year. The band members are: Zetta Sutton, Cherine Heckman, Debbie Perkins, Phyllis Crouse, Cindy Utter, Bill Pepper, John Anderson, Nina Finney, Vernon Stanton, Danny McClintic, David Bentley, Steve Bentley, and Kayla Morgan. The chorus members are: Pam Rumpf, Jeanne Curran, Patty Eddins, Peggy Miller, Gail Milton, Linda Conger, Linda Majeski, Judy Myers, Vicki Bratcher, Barb Babcock, Nita Farris, Nancy McDaniel, Marilyn Johnson, Vicky Atkinson, Teresa Best, Carol Prescher, Pam Anderson, Missie Blakley, Robert Hanway, Kenny Andrus, David Curran, Janice Julian, Roberta Rosenauer, and Janet Krumme.

Our Last Trip

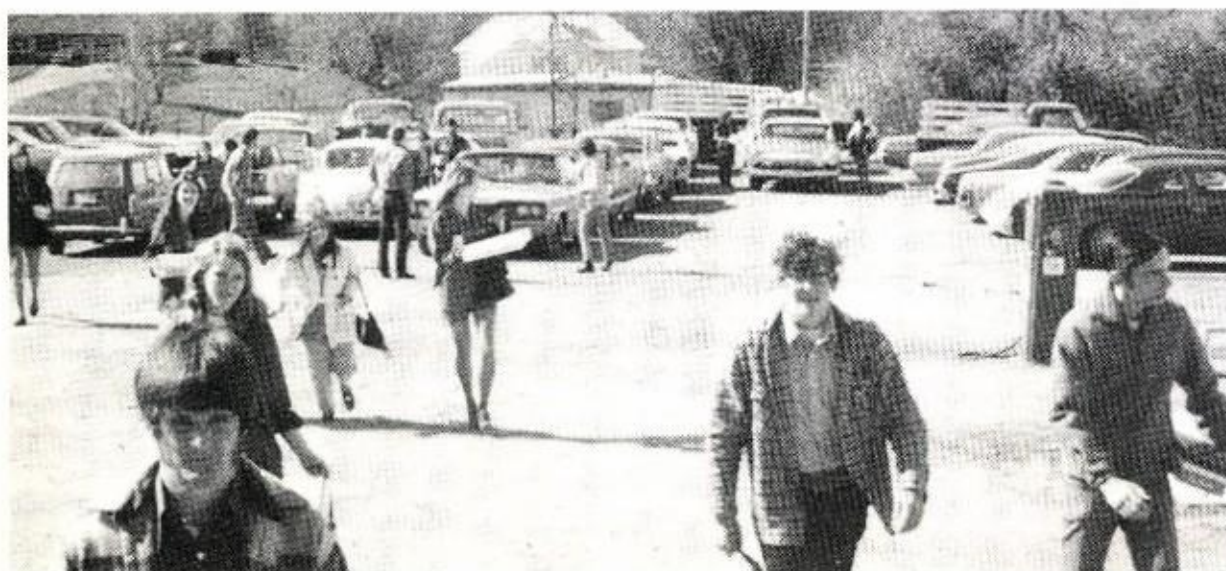

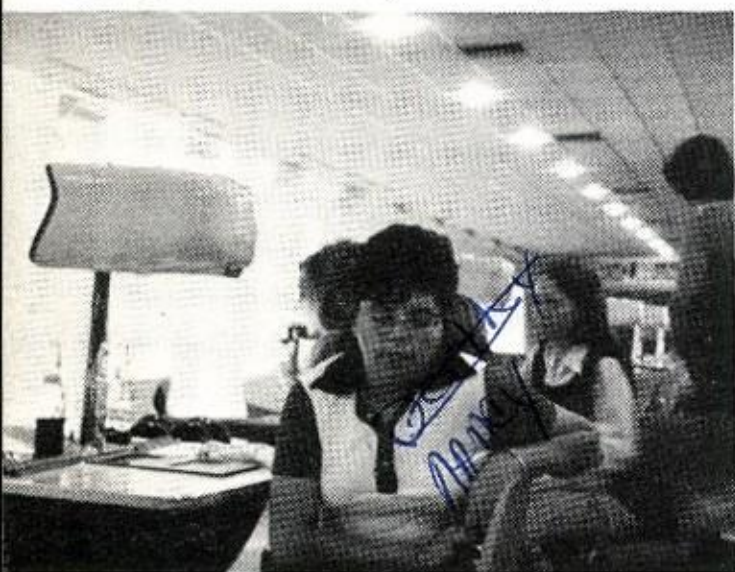

Though we had visions of another rainy day, May 1 dawned sunny and bright.

The bus ride to Krug Park was filled with suggestions for Mr. Reynolds to detour across the state line, but much to the boys' chagrin we arrived safe and sound. While the boys scouted the area, the girls set up the picnic lunch. After a feast of fried chicken, everyone toured the park and tried to stir up some trouble.

Next stop was Olympia Lanes. Teams were formed for the two games. Many seniors also shot pool when they finished bowling.

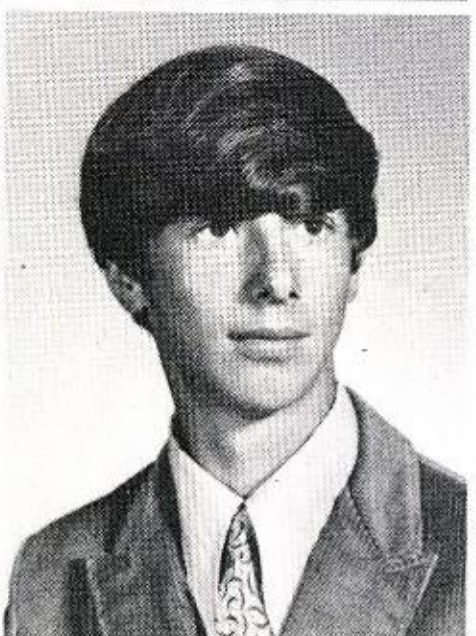

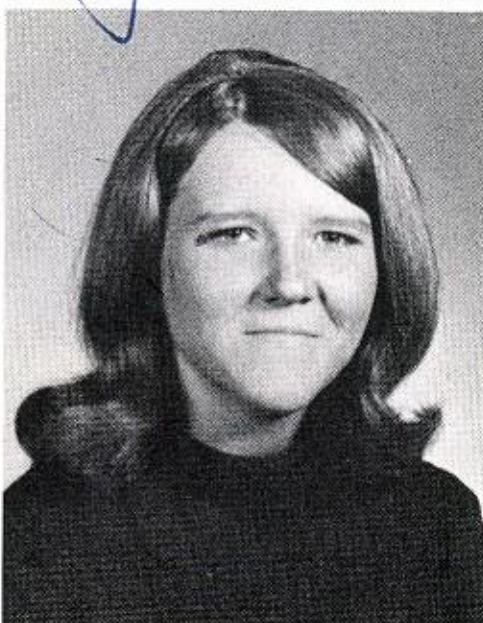

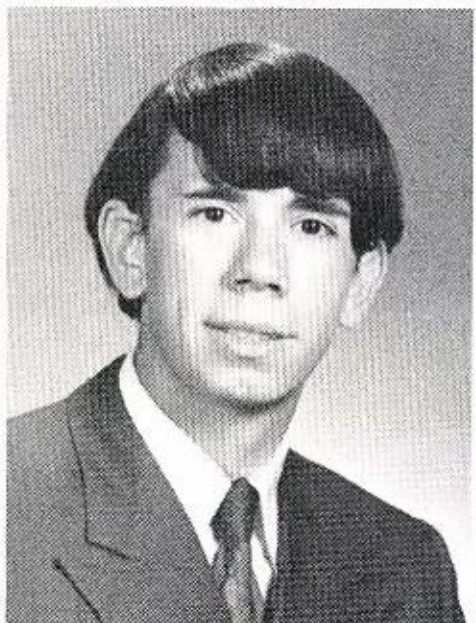

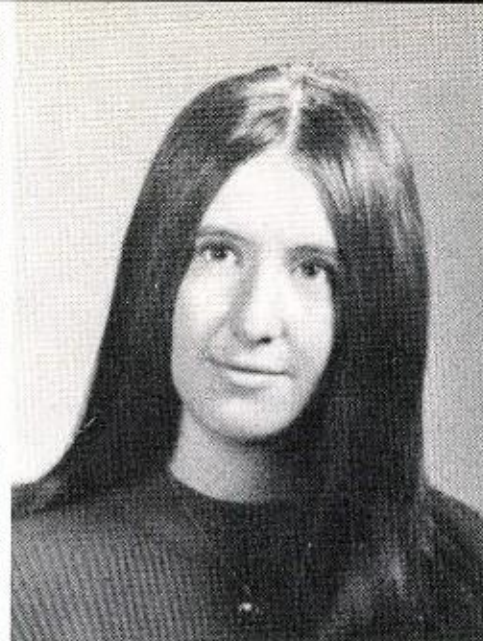

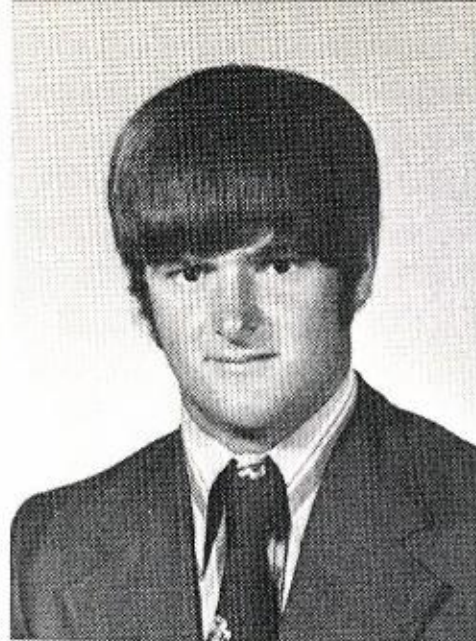

About 4:15, a pack of hungry seniors arrived at the Sirloin stockade. Although the boys were sure their food would never come, everyone had a wonderful meal.

Last stop was the Hillcrest Theatres where everyone attended a movie. For the seniors, the trip turned out to be a special day to remember.

Just One More Long Year

The class of '73" has changed. Once dewey-eyed sophomores are now hard-working, industrious juniors. The juniors work hard all year trying to make money in various ways-junior stand, their cake sale, and their class play. The hard-working juniors do all of this for the Junior-Senior Banquet.

8th Grade Has Memories But Seeks More

From the first day of school we looked forward to the Junior High Choral Contest, the Boys' and Girls' Basketball Tournament, at which we were hosts, and the day when we would become freshmen in high school. We will never forget our first ball game, whether participating or supporting our team, our first sense of independence, and most of all our first graduation.

ANNALS

Faculty And Board Of Education Help Students Help Themselves

Our faculty consists of 34 teachers and 3 administrators. Additions to the teaching staff include special education, a librarian for the entire school system, and a counselor for grades seven through twelve. Eight of the 37 certified personnel have their masters degree, and others are working toward their masters degree. Teaching experience varies from seven, who have taught 29 years; and nine, who have taught in an excess of 15 years. A group of 16 of those teachers are working in one of the most modern elementary school programs in north Missouri. This program is designed to help the individual student progress at a rate suitable to himself rather than a group. Studies verify that most students have greatly improved in the achievement rate. This program is carried on in the junior high school enabling students capable of progressing at a more rapid rate to gain more knowledge through the school year. Those students capable of achieving at a slower rate are provided the opportunity to gain more knowledge than they would have been in a regular classroom situation.

BOARD OF EDUCATION: (SEATED) Ray Gene Krumme, Member; Erle Heckman, Superintendent; Bill Waller, President. (STANDING) E.J. Beaver, Member; William Johnwon, Jr., Vice President; Austill Landis, Secretary; and Jack George, Treasurer.

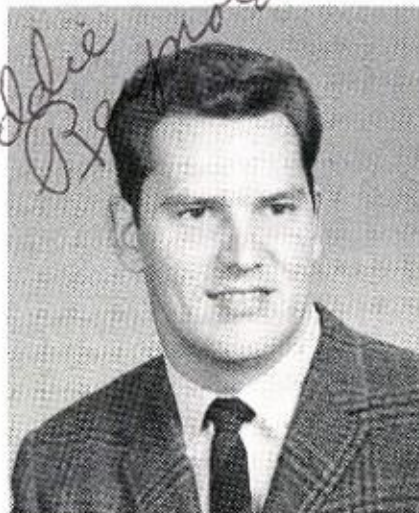

The secondary program, due to the number of students within the school, does not adapt to the same type program as the elementary and the junior high schools. The entire school system as a class "A" rating which requires 24 units of credit. We surpass this requirement in all areas by offering 41 1/2 units. Recent additions to the high school program have been French 1; immediate plans call for another unit of French, speech, and other social studies courses, as well as Special Education for grades 7 through 12. Plans are to offer a program equal to that of schools with "AA" rating. Advisements from the State Department of Education have been reduced from as many as 12 per year to 2 this current year. Our school district has gone from a school in danger of losing its classification to a school rapidly approaching "AA" rating in a period of three years. All this has been done without an increase in tax levy due to the increase in state aid. Credit for the vast improvement must be given to the patrons of the Mid-Buchanan School District and to the men who represent the school district by serving on the Board of Education.

The Year "1972"

The year, 1972, was a year long awaited by every graduating senior. This was a year full of hopes for the future and plans for the present to make this the "best" and most memorable year of all. A class of 36 seniors graduated on Sunday, May 14, putting an end for many the sharing of 12 years of school together. These years held many memories of friends sharing experiences from the first grade to now, our graduation. We now must leave this behind and plan for the future because from this day on we no longer have the "bond" of school to hold us all together. So you see, for us, this is THE year, 1972.

Debbie
